NO

YES

SE F

- Skills and knowledge
- Experience and accomplishments
- Demonstrated interests and passions

P O A

- Fit between you and the program
- History of commitment and likelihood of success

F E

- Interest in the field
- Career aspirations
- Contributions you want to make

We often hear students name only 1 or 2 institutions. We suggest you consider all your options by researching programs in Canada at [universitystudy.ca](http://universitystudy.ca) and around the world via sites like [gradschools.com](http://gradschools.com)

Each institution has a unique approach to the program!

Make a plan to get it! We can help with that.
