

After you have installed the app, you will be prompted to log in. Please visit the UTM+ website at www.utorid.utoron.toronto.ca/cgi-bin/utorid/verify.pl If everything is ok, you should see the message: "Your UTORid and password have been checked and should work."

1. From the Home screen, choose **Settings**, then **Mail, Contacts and Calendars**, then **Add Account**.
2. Choose **Exchange** and enter in your email address and password, as shown below:

3. Your device should use auto-discovery. If it does not, you will need to manually enter in the information, like:

<p>Server: outlook.office365.com</p> <p>Domain: Leave blank</p> <p>Username: firstname.lastname@mail.utor</p> <p>Password: your UTORid password</p>

4. If you are having trouble, please contact the Student Helpdesk.
