Online Homework:

There will be weekly homework assignments to be completed using the online homework system Mastering Chemistry. If you purchase the bundled textbook package at the UTSC bookstore, your Mastering Chemistry registration code will be included.

If you acquire a copy of the text from another source, you will need to purchase a Mastering Chemistry code separately from the UTSC Bookstore. If not available you will have to opt out of access to mastering.

If you did not use it last term you may purchase it in the bookstore along with the study guide

The publisher's web site:

T0.4223(ha)2.1.2(183(04)2.due)G -0. n b0.0 td n.1(l)5unarit B-5.1

Please note that students will not be allowed to reschedule or miss labs on the days of any exams either this or other courses. This is a Chemistry Discipline Policy

Term Test

There will be one 90 minute term test worth 25% of your final grade sometime after Reading Week. This will be written outside of class time, time TBD. The exact date and time will be provided once the information becomes available from the registrar.

Policy on Missed Tests:

Should you miss the test due to a legitimate reason, you must submit appropriate documentation within 48 hours of your absence. If the reason is medical, an official UTSC medical certificate must be provided. (please see Absences from the Lab above.) There will be a makeup exam within 12 weeks of the term test written at the instructor's convenience. If you miss the makeup exam you will receive a grade of 0.

Final Exam:

seeing them on paper will provide clues as to where you might be going wrong. This will also help prevent memorization as you know how to work through the problem logically. Trust us on this. Write, write, write.

- x Make the most of the resources available to you.

Where to get help for this course: _____

- 1- Instructor's office hours
- 2- A peer facilitator program, ~~FSC~~ Facilitated Study Groups being run through the Centre for Teaching and Learning. These weekly sessions are open to all students taking this course who want to improve their understanding of course material, improve their study techniques, and improve their grade. Attendance is voluntary. In these sessions you will compare notes, discuss important concepts, develop study strategies and prepare for exams and assignments on course material. Course material is ~~NOT~~ covered. The FSG's are lead by a trained facilitator who has previously taken the course. A survey will be taken during the first week of class to determine the best days and times for sessions and they will10.4(b)5.1(nr)4.6(i m)8.8(pr)4.6(b)10.5(bk)2.2(l)-6.1(
