(!C) SS Representative

Mr. Abdus-Samad welcomed the CSS to the Council on Student Services, on behalf of the 4TSC as one seat. At the first meeting, the CSS was supposed to nominate and vote a 4TSC member to attend. Mr. Pouyat welcomed the CSS to the meeting. The CSS at St. George's. At the next meeting in Hart House will be represented by the student body and as well as the students' concerns, student life, etc. The 4TSC's role is primarily to observe and to advise the students over St. George's, however the 4TSC could set items on the agenda if necessary. Mr. Pouyat mentioned by adding it is interesting to note that the 70% of the students are active members of CSS. He encouraged the 4TSC students to take a more active role in attending CSS. The last CSS meeting an interesting issue was raised: students felt that the university should be paying more for student services and that some of the more advanced interest projects and decisions. Mr. Pouyat adds that the 4TSC should be looking for more partners for the university and to see what the students are doing. Ms. Arnason adds that the CSS is also a good way to build networks and see other student leaders and also an understanding of other areas in the university. Ms. Doyle added that the committee's work is usually scheduled. Mr. Pouyat said that there are many meetings per year and that a77061mately =-> already finished and more likely to be done. The meetings are usually held Tuesdays from 0:??7m to 1:??7m. Mr. Pouyat added a motion as proposed to be done at the last CSS meeting to use the services of the students. @!le t"Is "as not yet "a77ened, it is likely to be done.

After no students volunteered to represent the 4TSC, Mr. Abdus-Samad would like to nominate Doreen.

Health & Advisory Committee:

Second meeting has been held. 5 year rules have been dominant to date and have come to a conclusion that the survey and sub-sub-committee findings. Ms. Rampton and Habibollahi have noted that the 5 year period to the board and see what issues arose from the surveys. The biggest problem is students don't, not the rules and more visual displays are needed. Ms. Calder added that the largest problem stemmed from the 'no' restrictions. Sports and tan, to be approved as long as they provide a taste of the overage. She adds that budget has presented to the advisory committee that is possible for the summer.

Health & Advisory Committee:

Second meeting has been held and the 7 year is currently looking at the 0-year forecast. Ms. Love and her (business
