

# Council on Student Services

Motions 1998-99

### **1. SPACE AGREEMENT - Motion Carried**

Be it resolved that CSS mandates the Associate Vice-Principal to negotiate a letter of agreement between the University and the CSS, which shall guarantee student space or its equivalent n.a.s.m. based on the current inventory of student space.

### **2. STUDENT CENTRE - Motion Carried**

Be it resolved that CSS recommends to the Principal and Dean, Professor Paul Thompson, that a University Users Committee be established to study the feasibility, costs, financing and programmatic issues related to the building of a student centre on the University of Toronto at Scarborough campus and that such a committee be proposed to the Office of the University Provost no later than April 1, 1999.

### **3. PHYSICAL ENVIRONMENT/SCHOOL DÉCOR**

#### **(a) Aesthetic Improvements Notice of Motion - Motion Carried**

CSS recommends to the Site Planning Committee that student artwork be utilized throughout the campus buildings to enhance the aesthetic environment, to showcase student talent and to bolster school pride and that a plan be so implemented before October 1, 1999.

#### **(b) Washroom Cleanliness - Motion Tabled**

CSS recommends to the manager of Physical Plant Services Building Division, Mr. Brian Smith, that a systematic review of the washrooms be conducted for the purpose of identifying any facilities which may require special and on-going attention with a view to improving their cleanliness and that such a review be concluded before the end of session.

#### **(c) Flags, Main Campus Entrance and Illuminated Signage - Motion Carried**

CSS recommends to the Site Planning Committee that three flags are erected at the main public entrance off Military Trail, specifically those of Canada, Ontario and the University of Toronto. Also, a concrete or stone monument sign be erected in a prominent and public location engraved the University of Toete
